

Labradoodle Fun and Facts

Australian Labradoodles have everything you would want in a dog! They're loving, loyal, friendly and trustworthy. Just like any dog you say? How about allergy friendly, non shedding, excellent companion and service dogs? They have personality plus, and are quirky, funny, gorgeous bundles of fur. Intelligent and easy to train, I easily came up with 12 good reasons to bring not one, but two Australian Labradoodles into my life.

That's right, Australian Labradoodles. This book talks about all the fun stuff and the factual stuff that you need to know about Australian Labradoodles, which are different from a cross between a Labrador and a Poodle. The book makes the distinction between Labradoodles and Australian Labradoodles and tells how Australian Labradoodles came to be the Miniature, Medium and Standard sized dogs they are now. Fleece and Wool coat types are explained as are all the many diverse coat colours. Australian Labradoodles have their own guardian Association whose vision and hope it is that in the not too distant future the breed will be recognised as a purebreed in its own right. Remember, I said Australian Labradoodles have everything.
