

Learn to Sing Notes on a Music Sheet: Gradual Sight Singing Course

Learn to Sing Notes on a Music Sheet is a gradual set of sight singing exercises that will allow you to translate music notes into vibrant melodies. Learning to sight sing music will allow you to participate in choirs and hear the melodies you see on a music sheet. Learning to sight sing music is a crucial skill that will enable to have a richer musical experience and a better understanding of the way a melody flows. These exercises are also played on Youtube so you can sing along through the available videos.
