

Leo Zodiac Cross Stitch and Blackwork Pattern Set (Zodiac Sign Patterns for Cross Stitching and Blackwork Book 7)

This pattern set includes 5 stitching charts for cross stitching and blackwork (the four pictured in the preview and one of just the outline alone). These are beginner level projects, there are no specialty stitches or fancy techniques being used here, just plain old single X cross stitching and straight line backstitching for your blackwork patterns. Each individual block is 45 x 45 stitches in size. All the blocks in this series of Zodiac patterns will be the same size so that they can be stitched together as a sampler if you'd like, or used individually they are the perfect size for stitching cards, ornaments, and other small gifts. Enjoy and happy stitching.
