

Christmas Cantata

David Mitchell's Christmas Cantata is a 100-minute-long contemporary oratorio for Advent, Christmas or Epiphany. Its musical language is a fusion of choral pop, jazz, and lounge music, with shades of plainsong, Renaissance opera, and Persian classical music. Though intentionally popular in idiom, it stands consciously in the great tradition of western European sacred oratorio. It's all about voices: choruses, solos, duets, trios, quartets, octets, recitatives. It needs a good, keen chorus who can sing the notes, and soloists who can be a little freer in their delivery. The singers are supported by a continuo trio of piano, bass, and drums. You can put on a great performance with just these three instruments, with maybe a flute or trumpet as well. But, if you really want to go to town, there are parts for orchestra too
