

Hunted (Prophecy Child Series Book 2)

After some well-earned time off after killing a cave full of Fallon Demons, Macey Jennings is about to learn that there is no rest for the wicked when a new foe comes to town. Someone is killing witches, and a powerful artifact has gone missing. With a killer on the loose, and the dark soul pets being attracted to her like moths to a flame, Macey and her friends need to find out what's going on before it's too late. As one by one the witches fall, there is something darker threatening. Macey knows that if they don't stop whoever is doing this in time, then hell is truly about to rise up and spill upon the Earth; ending the world as we know it. ** Note, as always, this series does contain scenes of a sexual nature, and some very questionable curse words depending on one's point of view **
