

## Rampaging Hulk, Edition# 1

The Monster Or The Man Outsiders The Rampaging Hulk ran for 9 issues from January 1977 to June 1978. With issue #10, the bi-monthly magazine changed its title to The Hulk! and became a full-color book utilizing Marvelcolor. The magazine featured fully painted covers by such artists as Ken Barr, Earl Norem, and Joe Jusko. One cover in particular, painted by Norem, is one of the most iconic promotional/poster images of the Hulk:[citation needed] a darkly-lit close-up of his face, gritting his teeth with his knuckles raised, done for The Hulk! #17.
