

## Master Potter of Meiji Japan: Makuzu Kozan (1842 - 1916) and his Workshop (Oxford Oriental Monographs)

This is the first comprehensive study in a European language of the life and works of this versatile and accomplished Meiji potter (1842-1916). It traces the artistic and commercial influences on Kozan's work and relates developments in Makuzu ware to the work of other major potters of the era to give a valuable insight into this formative transitional era in the history of Japanese ceramics. It is lavishly illustrated, with forty color plates and 100 black and white illustrations.
