

## Masterwork Classics: Level 5 (CD)

A progressive repertoire series designed to motivate students while allowing them to progress evenly and smoothly from the earliest classics toward intermediate literature. These pieces are from the standard classical literature, chosen to appeal both to teacher and student. Each volume comes with a corresponding CD. Valery Lloyd-Watts studied at the Conservatory of Music in Toronto and the Royal College of Music in London. She earned a Master of Music degree from the University of Wisconsin, where she studied with Paul Badura-Skoda. She co-authored the text *Studying Suzuki Piano: More than Music*, which was endorsed by Dr. Suzuki.
