

## The Press Wars

When The Press Wars break out, they leave Calvin Wheams, an investigative reporter is trapped on a small world where a possible solution to the two presses differences lies. In order to survive till help arrives he takes cover with a beautiful local reporter. Help arrives in the form of his writer turned warrior pen pal/girlfriend, adding more complications to an already tense situation. With the help of an old friend, Cal must ease the tensions between the two women, and deal with the leader of the other side to forge a peace treaty.
