

Mel Bays Mountain Dulcimer Book/CD Set

Dulcimer Book/CD. Origin Country: USA. Made by Mel Bay. This book/CD set is a collection of traditional folksongs, Irish and American fiddle tunes, adaptations of classical pieces, and original songs. The songs combine melody lines in standard notation with suggested chords for accompaniment. Unlike Marks other books, Mountain Dulcimer is best appreciated by a player of intermediate to advanced capability who wishes to learn how to add chords behind a melody line, or how to use octave and rhythm changes in creating an effective arrangement.
