

Elements: Valleys in the Mountains (Volume 2)

The hapless trio is shattered as the echoes of the distant past hunt for their light. Jaik must determine if he possesses the strength to accept the unbelievable calling that invades his life. While Dashire and Dax fight each other, as well as their own demons of hidden truths. A great mystery looms in each shadow as the world grows larger and wilder. Will the group be able to find a common path, or will the cracks in the shields break them apart?
