

Montana Wild & Beautiful II

Whitefishes Chuck Haney and Helenas John Reddy have been on the road again, following their separate paths of exploring and photographing the Treasure State for this second collection of brilliant Montana landscape images. Panoramas, long shots, and close-ups show wildlife, the prairies and the mountains, rivers, waterfalls, dramatic weather, delicate wildflowers, sculpted badlands, and wild country in all four seasons.

As we pushed into the afternoon we switched gears from fishing to just making it to camp so we could attempt to build a fire. The more obvious take-away from the day was that the Smith River is easy on the eyes. We saw one set of bear tracks and a bunch of elk and deer tracks as we **2016 Archives - Page 2 of 4 - Montana Wild Video - Montana Wild Hunting & Fly Fishing Films** SEPTEMBER CALLS. 2 weeks ago.
