

REPRISAL.: The Gates of Hell. Book 3

WARNING: As with Books One & Book Two, this novel was written to bring awareness of modern day sex slavery, and which still exists in open sight, and is so often ignored, incredibly not just abroad, but in the United Kingdom, the USA and all around you. Humans are exploited, kidnapped sold into physical slavery or worst the sex trade, migrants are taken advantage of, children are targeted, and teenagers deceived. In Book three we bring the story to its conclusion, Jessie is seen to die in an act of suicide and life must go on. Read how this incredible character faced all she had suffered and still served her God, remaining loyal to her faith, and reaching out in service to others, especially the lost, the vulnerable, and the innocent children, sold and abused into the SEX TRADE. Incredibly I did not want to write these three books as it is a subject that disturbs me, yet I was brought back to it time and time again, until I realised that God was reaching out to a selected people whom would otherwise not hear of Jesus or of the walk and service of others. Already some have taken a dislike and passed judgment over these books, but in my heart and for me, it is God I serve and obey, not man. John R. A. Smith. Click on the below links. As sick as these are you need to watch these.

<https://www.youtube.com/watch?v=7JAQQF8TETA> Like I said as sick as these are, people need to understand what is happening all around them. In the end even I could not watch this video in its full, and after the warning from part one, I decided it was not worth upsetting myself over this research, into the evil that others do to our kids. ?
