

22. Klaviersonate in D-Dur, Opus 47 No. 1: Piano Solo (Bisel Classics Book 202)

With the two Sonatas Op. 47 Dussek today presents himself as a composer who already in 1801 produced music that was outrageously romantic, without missing the classical feeling for form. In the Sonata No.1 in D-major, Mozart experts find another work that after the Variations KV 573 picks up the thematic material of the Menuetto by Jean-Pierre Duport, molding it into surprising shifts of harmony. All in all the advanced pianist is guaranteed to find two compositions that demand a crisp and brilliant touch, but nevertheless reward with a sophisticated performance experience. ----- Mit den beiden Sonaten Op. 47 präsentiert sich uns Dussek heute als Komponist, der für das Jahr 1801 unerhört romantische Musik schrieb, die dennoch nicht das klassische Gefühl für Form entbehrte. Mit der Sonate Nr.1 in D-Dur finden Mozart-Kenner eine weitere Musikschofung, die nach den Variationen KV 573 das thematische Material des Menuetts von Jean Pierre Duport aufgreift und auf harmonisch überraschende Weise verarbeitet. Alles in Allem zwei Kompositionen, die vom Interpreten leichte Fingerfertigkeit und brillanten Anschlag verlangen, dafür aber auch mit niveauvoller Spielfreude belohnen.
