

Stitch n Bitch Superstar Knitting: Go Beyond the Basics

Knitters: Its time to take it to the next level. And who better than Debbie Stoller to show you how. The expert knitter and gifted, edgy author who introduced knitting to a new generation with her New York Times bestseller, *Stitch n Bitch: The Knitters Handbook*, now shows her readers how to do more lots more. *Stitch n Bitch Superstar Knitting* is the only knitters handbook to teach the full array of advanced knitting techniques and skills, such as double-knitting, knitting lace, complicated color work, beading, and more. Writing with the clarity that makes her such an effective teacher, and the attitude that got her dubbed knitting superstar (*San Francisco Chronicle*), Stoller explains how to knit by the numbers; get creative with stripes; embellish with crochet, beading, and I-cords; how to make cable patterns; and how to use color forms. There's also a whole section on DIY which gives a tutorial on creating your own knitting patterns. And then the brilliant icing on the cake 41 cool, funky, and fabulous patterns from Debbie and the *Stitch n Bitch* community: a fluttery Rococco Shawl, Cap Sleeve Lattice Sweater, Jackie-O sequined cardigan, Empire Strikes Back dress, the adorable Button It childrens sweater with changeable animal patches. Plus sexy stockings, stylish handbags, blankets, scarves, and more, all photographed in full-color.
