

No Hint of War: An Alternate WWII: Volume2

As America is flung into the World War, a troubled man and a secretive woman are brought together across the world, while they and their families find themselves engaged all over the world. Against their struggled, the United States girds itself for war, the United Kingdom and its Empire settle down to meet their fate, and battles take place by sea, air, and land. The great and the small are set on the course to victory, the long struggle that must be won, In this second novel of the series, the story continues with its characters going forward to triumph or disaster.
