

The Nightmare Hero

Imagine a hero that is the son of all heroes, the son of all villains, and the son of all warriors. Palidan Torvic was made for a single purpose, to rid existence of the scourge known as Zarcod Malicus. This gray warrior trains himself in a dimension that holds all other dimensions, helping those in need, so that one day he will be ready to rid reality of this nightmare. On his quest to perfect his skill and powers, Palidan learns about who he is and his place in the grand scheme of things. His fate lies beyond defeating an opponent who exists only to oppress and control. He exists to stop the nightmares, wherever they occur, by preventing them and changing fate. So begins the epic tale of the hero against the nightmares, who fights in the shadows and in unseen sight. Behind the minds of those that fear, lies the unconquerable hero that all must hear.
