

Spirit of One

A tale of love, desperation, and creatures of the night, this epic quest takes place in the ancient time of wishtongues, wizards, and talltalists. The Family Tanox and their evil Principles have cloaked their kingdoms ever-expanding world in darkness and death. Zennan, an unlikely hero, emerges from a cave at the fringe of the end of the beginning of darkness. He embarks upon an impossible mission, one that has already cost the lives of his father and brother, to free his people from the Principles and their binding chains. His journey becomes even more critical after he meets the beautiful Meeshannette, who is tragically kidnapped by the Grand Black Sorcerer and presented as a gift to Ra-Tanox. Unknown to all, the quest creates a spirit more powerful than the kingdom has ever witnessed.
