

Fantaisie sur le Ranz des Vaches: Piano Solo (Bisel Classics Book 111)

A native of Switzerland who settled in Paris at the age of 21 (in 1823), Niedermeyer tackled one of the most famous hymns of the Alps in his Fantaisie. Since it acquired a mystical reputation during the birth of tourism in the Alpine regions at the beginning of the 19th century, the Ranz des Vaches had become a synonym for the serenity and elementary power of nature in the Alps that every traveler hopes to experience there. With a musical structure of narrative complexity and virtuoso variety Niedermeyer manages to convey the multifaceted content of the traditional song.

----- Als gebürtiger Schweizer, der sich im Alter von 21 Jahren (1823) in Paris niederliess, nahm sich Niedermeyer mit seiner Fantaisie Der Ranz des Vaches eine der berühmtesten Hymnen der Alpen an. Vaches gilt spätestens seit seiner Mystifizierung zu Zeiten des beginnenden alpinen Tourismus in der Schweiz Anfang des 19. Jahrhunderts als Sinnbild für die Bergromantik und Urkraft der Natur, die jeder Alpinist auf einer Fahrt in die Alp (wieder) zu finden hofft. Mit seiner breiten, erzählerisch vielfältigen und ausserst virtuosen musikalischen Struktur gelingt es Niedermeyer, der inhaltlich facettenreichen Thematik des Kuhreihens gerecht zu werden.
