

Perians Journey

Perians Journey begins high on a mountain when he first sees a beautiful flower at the heart of a dark thorn. It is to be a journey beset with many perils and filled always with contrast, as the forces of good and evil in the outer world mirror the successes and failures in Perian's own life. In the classic tradition of the great quest stories, Perian encounters a wizard, a dragon, and high adventure; and also the betrayal and love, sorrow and joy, of everyday life.
