Postmodernism [Movements in Modern Art]: Eleanor Heartney Synopsis: The Movements in Modern Art series provides concise, accessible and richly illustrated introductions to the major art movements of the last 100 years. As an art movement postmodernism to some extent defies definition as there is no one believing they could find a way of purely reflecting the modern world. **Contemporary Art Movements (1970-present)** Modern art includes artistic work produced during the period extending roughly from the 1860s. More recent artistic production is often called contemporary art or postmodern art. . By the late 19th century, additional movements which were to be influential in modern art had begun to emerge: post-Impressionism as well as **Postmodern art - Wikipedia** Synopsis: The Movements in Modern Art series provides concise, accessible and richly illustrated introductions to the major art movements of the last 100 years. **Postmodernism (Movements in Modern Art) by Eleanor - AbeBooks** Buy Postmodernism (Movements in Modern Art series) by Eleanor Heartney (ISBN: 9781854373052) from Amazons Book Store.
