

Night Stalker-Trouble In New York City

As a rookie cop, James Preston can only do what is within the confines of the written law. So when the evil Blackstar terrorizes New York City with his new found toy, The DOOM machine James has no choice but to put on the suit, once worn by his grandfather and father and become Night Stalker. With all of the stress of being a superhero and from his boss, Chief O'Reilly, can he hold it all together long enough to save the city . . . and quite possibly the world.
