

Attention Economy - Jahresring #60: Yearbook for Modern Art (English and German Edition)

The 60th Jahresring takes the form of a compilation of artist interviews and offers a snapshot of a highly active art scene that stretches from Berlin, as a new international center for art. Nicolaus Schafhausen put a series of questions to thirty-one art practitioners, less geared toward the artists respective praxis and more toward the conditions under which it arises. Published by Sternberg Press, Berlin
