

## King of Legends (Legacy of the Guardian) (Volume 1)

No one fits the definition of average better than Darak Black, a simple boy of Idaho with dreams of a more exciting life. Together with his friend Alan, they pass the days by with mischievous antics and promises to improve the mood another day. Much to his surprise, however, something listened; something answered. Now as he discovers the key to unlimited power, the world begins to show its true colors. Myths and legends begin to rear out of the darkness and Darak is left to deal with them all. The only response is for Darak to travel to a new world and learn to channel his powers that even aliens thought were just myth. Dreams come true. Darak is a Guardian
