

## Son of Corse: Book Two of The Raven Chronicles (Volume 2)

It's been almost two years since Arwenna banished the Demon Corse from her world. Life has been good. Idyllic, almost. The illusion is shattered in a heartbeat during her sister's wedding. Not only are once-dead enemies back, but they've stolen Arwenna's only child, Sera. The price Arwenna will have to pay to save her daughter is high. Can she muster the strength to make a pact that jeopardizes not just her own soul, but that of an entire world?
