

## Shattered Forms: Art Brut, Phantasms, Modernism (S U N Y Series in Aesthetics and the Philosophy of Art)

Art Brut, also termed Outsider Art, has long been suppressed from most art historical writing. Why this rejection? The hyperbolic expressions of Romanticism and Symbolism nourished a desire for derangement and dissociation that inspired both Expressionism and Surrealism. Simulated delirium became the object of the new art -- experimental, avant-garde, modernist -- which arose from the fragmented codes, the shattered forms of everyday communication.
