

Night Sounds: Sheet (Signature Series)

After a long summer day, early-elementary students can settle back and enjoy the relaxing night sounds that emerge from this lovely solo. In the key of C major, this beautiful piece can be played as a solo, or with the optional duet accompaniment for added effect. The use of alternating flats and naturals creates a unique sound while allowing the student to explore new melodic territory. Sit back, close your eyes, and enjoy Night Sounds.
