

## Soul Catcher (Outsider Trilogy)

From the gothic eccentricity of Asheville, North Carolina to the terrifying recesses of the Appalachian wilderness, from modern demonology to ancient Cherokee mythology, SOUL CATCHER follows the tormented journey of folk artist Livia Belane, who has been stalked through many lives by a sadistic and vengeful demon. Livia and her loved ones, including her frontier-era soulmate and husband, Ian, a Soul Hunter, have never beaten the demon before. Now, in this life, he's found them again.
