

The Athletes Ankle Vol 2

Improve your outcomes under the guidance of 20 leading orthopaedic foot and ankle surgeons! Area of Focus: Foot & Ankle and Sports Medicine. This product is jointly sponsored by the American Orthopaedic Foot and Ankle Society (AOFAS) and the American Academy of Orthopaedic Surgeons. Learn new techniques. Know the controversies. Understand when and how to utilize the latest solutions for the most common sports ankle injuries. Benefit from one-on-one instruction as the developer of each case and tutorial becomes your Fellowship Director. In this virtual hands-on learning environment, you make incisions, manipulate 3D anatomic animations, make surgical decisions, and much more using state-of-the-art multimedia tools. Expert surgeons guide you through tough scenarios and explain why each decision is preferable (or not). Volume 2 is Real-Life Patient Cases: ...Ankle Instability (Brostrom).
