In His Own Sweet Time General anthem for SATB voices and piano by William Rowland. Ragtime stride and swing rhythms dominate this casual anthem. Divided voices in homophonic texture deliver the stanza material. Text identifies our need for prayer and lack of patience in waiting on the Lord. The refrain employs some call and response before returning to the hymn-like texture. The point of the text is, perhaps, Gods sovereignty and the weakness of humanity. The accompaniment is critical to the style and structure of this anthem. It requires an accomplished pianist with an understanding of the stride style. Accidentals may challenge both the accompanist and singer. Syncopations abound. Performance options include singing this at informal settings such as a mid-week meal or meeting. Appropriate days: service themes on prayer and general worship. Age Level 6-8 Difficulty of vocal parts 7 Difficulty of accompaniment 9
