

Fate (The St. Cloud Chronicles Book 1)

FATE tells the story of Ophelia St. Cloud, a teenage girl from the Bronx who moves to Buffalo with her mom to attend Jules Perdot Academy. After almost becoming a vampire gang's next meal, Ophelia ends up in the middle of supernatural affairs, which forces her into the role of fighting vampires. But her involvement with three of her less-than-normal classmates attracts the King of the Exiles, a powerful vampire who wants to reign over humans and supernaturals. What will Ophelia do when she and her friends are captured? She only has two options: accept defeat or become her own hero.
