

## Subject to Change: Dedicated to my Mother who has taught me how to grow and has let me grow.

A rough draft of a possible idea. A dream of werewolves fighting for freedom from centuries old enslavement, with a focus on one non-free-spirit who has a deeper relation to powerful wolves than anyone knew. When the Prince of the Kingdom falls for her, no one knew how far this love would destroy their world, but will that love survive? Will anyone survive? Who will be the subject to change?
