

The Traveler: The Book of Iden

Book Two available on March 20th, 2015!
A wanderer with no memory is lost in a strange world and everyone he meets has their own idea of his purpose. He emerges from grey, desolate expanses only to find a land as forlorn as the waste he left. The Traveler is launched into the heart of an ancient and rising conflict. In the Monastery of Sherushae, the ultimate burden is laid upon his unsteady shoulders and he must set himself against a dark power bent on the destruction of all things.
