

All About The Australian Shepherd (Its All About Dogs Book 1)

So you're wanting to get a puppy?—What do you know about the Australian Shepherd?—Here's what one of our readers says about this book: I have had two Aussies for over ten years and this book does a good job of outlining the responsibilities and joys to owning these great animals. — Bryan—From the author of the All About Dogs series, Matt Johnston comes a comprehensive book All About The Australian Shepherd. In it, Matt Johnston tells you: Why this dog is a great herding dog. If they make a great watch dog. If they are loyal, playful. How affectionate they are. If they will make a great companion. You will also discover: The history of the Australian Shepherd. If this is the right dog for you. What to look out for when picking your dog. This book covers all you are going to need to know before you go ahead and get one of these awesome dogs. You will get to know what to provide and if it really is the right breed for you and your family. Purchase now for immediate download and start discovering the joys of the Australian Shepherd.
