

The Bean Bag Zoo Collector, Bk 2 (The Bean Bag Zoo Collectors Series)

Using visual imagery and tales of Bean Bag animal adventures to achieve musical goals, The Bean Bag Zoo Collectors Series Book 2 takes late elementary piano students on a fun and engaging musical journey. For example, playing with dramatic flair becomes easier when picturing a snarling bull or a scary, but friendly gorilla. Legato playing feels natural when visualizing a magical unicorn or a slithering snake. Seven solos in all—definitely a collectors item!
