

The Bears Sacrifice: A Sizzling BBW Werebear Romance (Emerald City Witches Book 2)

It was the find of a lifetime, and she wasn't talking about the cowboy in her bed... Evelyn Beaumont is a witch and an expert when it comes to studying magical artifacts. She's like Indian Jones, only with a bit more sass and way more curves. A big find in Seattle, a mystical artifact known as the Jinns Eye, has her sent to the city to study it and keep it safe from the evil forces who will definitely try and steal it. It's all work and no play for Evelyn, but she's fine with that, as this curvy queen of the lab has yet to find a man worth keeping around. Until she finds the cowboy werebear with a secret, Gabriel. Gabriel's secret goes deeper than his bear-shifter identity. This bear has got himself stuck between a rock and a hard place, between loyalty to his family and the love that's blossoming between him and Evelyn. His family's being held hostage by some truly evil forces, and they'll ruin his life if he doesn't bring them the Jinns Eye. Does he do what it takes to protect his family? Or does he make the sacrifice and follow his heart? This steamy 18+ novella is part 2 of the Emerald City Witches series and I recommend you read them in order. This story features hard-bodied shifter hunks, curvy witches, and pulse-pounding action, it's guaranteed to make you roar. There's a HFN ending for this book and there will be a HEA ending for the series.
