

The Big Chihuahua Book

The Ultimate Guide to the Selection, Care and Training of Your Chihuahua. The Big Chihuahua Book is a breakthrough book on Chihuahuas and is the result of years of experience owning, training, and raising Chihuahuas. After being nagged by my fellow Chihuahua owner friends and colleagues for years, I finally sat down and wrote what is considered by many people to be the bible for Chihuahua owners. The name of this book is The Big Chihuahua Book and it was made just for Chihuahua lovers that want to know everything about their Chihuahua. If you would like to keep your Chihuahua healthy and happy... This is definitely for you! My book will show you how you can have the happiest, healthiest, best behaved, and obedient Chihuahua in your town.
