

The Chaos Child (Family Lies Book 2)

Sequel to Daughter of Deception After nearly killing herself weakening her demon-possessed father, all ghost-gabbing Viola Ashwood wants to do is relax with new husband Tobias Duke and take care of the demons in their region of the Network. Her plans are ruined when her estranged brother Sebastian arrives with terrible news: their sister Olivia's missing. Daddy's not as weak as she believed, mysterious gifts keep popping up on her doorstep for no apparent reason, and her brothers addicted to a Network-banned drug. When demons start spouting prophecy about the Child of Chaos, Viola isn't the least surprised. It's turning out to be that kind of year.
