

## Conquest of the Realms (The Conquest) (Volume 1)

When sixteen-year-old Kevin Trent considered his life in his homeland of Aurana, he didn't see much potential. Having never known his father and having lost his mother three years before, it seemed as though the only thing he could do with his life was to pick up a trade and pass up his dream to travel the lands as an adventurer. Even his best friend had told him as much, and made fun of his daydreaming. Meanwhile, he watched as his homeland of Aurana was steadily being conquered from the south by the newfound kingdom of Desolunar. But all of that would change when a mysterious man locked eyes with Kevin in a crowded city street, and the wheels were set in place to change forever the lives of himself and his friends...
