

The Flowering of American Folk Art 1776-1876

The quintessential guide to folk art in America, based on the landmark Whitney Museum exhibit of 1974, illustrates more than 400 outstanding examples of American craft covering four major categories: painted, drawn, or stitched pictures; sculpture; architectural decoration; and decorated household objects. View page after page of extraordinary talent, evidenced in weathervanes, ship figureheads, tinware, toys, quilts, painted furniture, and more.
