

DARC AGES Book Three: The Battle for Tomorrow: Illustrated Edition

The conclusion to the DARC AGES trilogy! The battle between good and evil reaches a climax in this third volume of the epic space-opera adventure. DARC AGES will be continued in the forthcoming Book Four: City of Masks. The first part of the trilogy received many positive responses from Swedish book bloggers: This book was exciting from the start and the excitement kept up till the end. Now that I have just finished reading Book One, I look forward to reading the next part, because I will definitely read on. <http://havsdjupens-sal.blogspot.no/2016/04/recension-uppvaknandet-av-ar-yngve.html>

Darc Ages is a rather lighthearted adventure story where David gets to know the new world, impress others with his knowledge and abilities, and in true heroic spirit tries to help the people who saved him. You are drawn into the illusion that this is what the world would really look like after an apocalypse. That the world is strange, yet very familiar is also a strength. <http://catahya.net/litteratur/uppvaknandet/> Towards the end I get the most involved in the narrative, that's when it really feels like things are starting to happen, and I have come to know Darc and the other characters better. It bodes very well for the next book in the trilogy! <http://www.vargnattsbokhylla.blogspot.no/2016/04/uppvaknandet-av-ar-yngve.html> Anyhow this book is quite unlike anything I've read before, but it is readable and exciting. Very different, but in a good way. <http://jonssonsbookworld.blogg.se/2016/may/recension-darc-ages-uppvaknandet-ar-yngve.html> I recommend you read it! <http://agnesbokblogg.blogspot.no/2016/05/darc-ages-uppvaknandet-recension.html> A readable, illustrated(!) and imaginatively narrated history. I got involved in the plot and want to follow the characters' fates further and get a broader picture of the futuristic scenario. Looking forward to the next installments in the series.

<https://www.goodreads.com/review/show/1618140061> To read science fiction is thought-provoking, and this is a book series that I think YA readers can clearly enjoy.

<http://ibokhyllan.blogspot.no/2016/05/uppvaknandet-av-r-yngve.html> This book was very exciting and captivating and therefore gets the rating 4 out of 5 stars.
