

## The Fallen Boys

The road to forgiveness is covered in blood! Marshall Deakins has tried to come to terms with the tragic suicide of his young son. But it still tortures him. His search for answers will lead him down a twisted path paved with secrets and grotesque lies. Instead of peace he finds madness, held captive as part of a deranged plan filled with suffering and blood. As the nature of his captors insanity is revealed, Marshall will need to confront the truth about his son and his own past if he hopes to have a future.
