Mind Guide: To destroy every inner negative attitudes and energies, and establishing pragmatic forms of your great positive potentials?

This book is an inspiration, effort and experiences by the author to guide the mind of individuals who had been prejudiced by mind-sets, training, doctrines, beliefs, and peers. Some others had accepted defeat in life, and lay blames on their surroundings, friends, and families, instead of blaming it on their lack of persistence, perseverance, self-improvement, and unceasing prayers. Some individual had accepted poverty, and believed they will never be rich. However, after reading this book, you will hone your thoughts. You can think yourself into success, or into poverty You can think yourself into progress or retrogression. Our mind-sets are the powerhouse of our actions success and failure in all areas of our lives: love, faith, sex, business, education, profession, marriage, friendship, etc The perspectives in this book are the issues of fears, the four Idols that prejudice understanding, emotional pitfall (love, faith, sex, and anger), power of knowledge, truth and reality, power of thoughts, cultural and ethnic miscues, perseverance, persistence, prayers, peers, mental capability, information quality, and more, and their respective influences on individuals behaviours and successes. The author concludes this book with final words of mind guide, which encompass almost all the areas discussed in the preceding thirteen (12) chapters.
