

Talgorian Prophecy: Part 1 Taken (Part 1 of a 4 Part Serial)

Winner: Speculative Fiction Romance in the 2008 Dream Realm Awards Finalist in the 2009 Colorado Romance Writers Award of Excellence BOTB Semifinalist Megan Cassidy, a world-renowned psychic, must fight a serial killer to save her six-year-old son Robbie. But she can't do it alone. She needs help from the best tracker and ranger in West Virginia, her ex-fiance Brody Phelps. In a psychic vision Megan sees her own death during a battle with the murderer whom the police have dubbed the Mountain Mangler. She soon discovers that the Mangler is also psychic and is presenting a challenge the first six victims couldn't meet. While Brody and Megan search the mountains for the Mangler and Robbie, Megan is drawn to Talgor Ridge where a Talgorian Elder tells them an unbelievable story. They discover their destinies are intertwined with the immortal Talgorians and they must fulfill the first Talgorian Prophecy. Acceptance is the only way to save Robbie, and the Talgorians, from total destruction. Review 4 Stars ~ Dupres well-plotted and exciting novel grabs the reader.
