

## Keyboard Literature, Part 3

An exciting new collection of keyboard gems from 18th, 19th, and 20th centuries, designed as a companion volume for Music Tree 3. The pieces are by the great masters from each period who wrote music easy enough for students at this level. All are original keyboard works, selected to provide a well-rounded diet of musical periods, forms, type and styles, all in pieces with sure-fire student appeal.
