

The B&L Show: Book 4: The Things We Do For Love (Volume 4)

Following Barry and Sunnys wedding and in order to fulfill Tortulus plan, Barry leads a mission to the far southern lands to either make peace with the Acanthinus or annihilate them. Complicating the mission is Sunnys pregnancy and Barrys insistence she and Crane go to the island with Oda Nobunaga for their safety. They are attacked by Butterflies, bitten by Tamales and Barry confronts Morulus in a final battle to wrest control of the world of the orange sun from him. Motivating Barry onward is his love for Sunny and his desire to keep the Valley and the Simi protected and free. There is a cost, but, will it be too high? Maybe.
