

The Waking of Caldaria: Book 3 in the Caldaria Trilogy

The battle is far from over. A great evil awakes within the walls of Caldaria. With their world in disarray, Myla and her friends are pushed to the brink as they try, once and for all, to save their people from the full powers of a sorcerer hell-bent on their destruction. The Waking of Caldaria is the epic conclusion to the fast-paced adventure trilogy where Myla and her friends confront self-doubt, fear, and prejudice as they explore Caldaria, and try to prevent the destruction of the Caldaria people.
