

Through Rose-Colored Goggles: The God Who Lived, Volume 1 (The Ahmbren Chronicles)

Guns, gods and elves on a magical murder train! The hunter god escaped death by being born as the elf girl Meara. Sixty-five years later, she travels by train in search of a lost dragon scale, the cure needed to save her dying father. Meanwhile, a killer, harvesting relics of the gods, murders a gorgon for her serpents and escapes via the same train. The body count rises as Meara searches for both the killer and her fathers cure before becoming the harvesters greatest prize: the girl who had once been a god.
