

To Hell and Back (Dante Valentine Series)

Dante Valentine has been through Hell. Literally. Her body shattered and her mind not far behind, shes dumped back into her own world to survive ? or not ? as a pawn in one of Lucifers endless games. Unfortunately, hes just messed with the wrong Necromance. And this time shes mad enough to do something about it. This time, the Devil will pay. This is the ultimate in urban fantasy. - Romantic Times Bookreviews Magazine
