

Red Twin: Book One in the House of Lamia Trilogy

In ancient Britannia, the sun rises on a new world: a new high king; a new high queen, a new peace... and a demonic new presence bent on destroying humanity. The untold story of Camelot, where King Arthurs sister, Morgaine, is a demon with a taste for human souls, the Merlin is not of this world, The Lady of the Lake and her bodyguard, the Black Knight, are actually twin angels identical in every way but for the blood-red flesh concealed beneath the knights armor. Will the twins succeed in their goal to capture Morgaine before she can bring Camelot to its knees, or will the duplicitous Merlin betray them when they need him the most?
